Introduction

V.A.S.Noorullah & Co., has marked its prominence as leather manufacturer and exporter in the industry since 1950, now a third generation tanner. With experience of over 50yrs , We are the proud producer of leathers for Ladies shoes / fashion gloves ,sports gloves, leather goods, shoes and accessories. We have succeeded throughout these years in achieving a remarkable production standard by offering products with an excellent ratio of quality and price perfectly aligned with the market trend. With a proven track record, unmatched capabilities and unique craftsmanship V.A.S.Noorullah & Co., has become the best of their choice for leading global brands, for finished leather, We make all types of Aniline and Semi aniline leathers, Water proof and Water resistant leathers, Cabretta / Shoe Nappa, Suede and Nubuck leathers in Saudi Harry and Indian Red Hairsheep skin, these are some of the absolute finest leathers for making various article mentioned above.

We have a sophisticated tannery where we have substantially invested in Italian manufacturing facilities and technology for the curing, soaking, de-haring, tanning, splitting, sorting, dyeing, drying, and finishing of the leather. We have an installed production capacity of over 8 million sqft . We are also an export house recognized by the Government of India. In year 2013 our tannery was awarded as LWG GOLD RATED tannery for the first time and we are still LWG GOLD RATED manufacturing unit for the fourth consecutive time. In addition, we periodically inspect the machinery and review technology so that there is no interruption in conducting the operations. Backed up by 400 employees we are keeping pace with the best technical and management practices, V.A.S Noorullah & Co., is run in strict compliance with eco-friendly environment and Social audit norms. A Team of skilled professionals work in tune with one another to meet the requirement of our customers. Our analysts test the leather on various parameters to ensure their adherence to set standards and quality norms. We have a privileged customer base for our finished leather in USA, Europe and Asia.

Our Vision

Consistency in production, reliability and uncompromising commitment to quality standards and on time delivery every time and develop its own quality leather brand and become a competent leather industry which is preferred by the consumers in the global leather market.

Our Mission

DREAM LARGE , WORK ON IT AND ACHIEVE BIG

- To be the premier manufacturing organization in the leather industry, gaining market competitiveness and diversifying into value added leather with clean, well maintained and eco - friendly environment and to be the best Finished Leather Manufacturer in India.
- To manufacture the finest leather which could meet the customer's expectations in quality, delivery time, and other key standards.
- To be a competitive company and to maximize its share in the market all the way through adopting new technology, process innovations, and world-class business strategies.
- To develop and engage on ensuring a healthy and friendly relationship with the environment and community.
To develop the workforces of the Company through providing on-job or off-job top-notch trainings and education so as to advance their skills and profession in leather production industry.
